AFTER WATCHING THIS PROCESS FROM START TO PRESENT, IT SEEMS "VERY UNFORTUNATE" THAT BOTH THE DEVELOPER AND THE CITY OF SUNNYVALE CARE ONLY ABOUT THE ALLMIGHTY DOLLAR, "NOT" THE LIVES & PROPERTIES OF THE

1. What initial height would you like the screening landscaping between the condominiums and the Washington Ave. properties to be? (circle one)

15 ft 20 ft 25 ft 30 ft 35 ft 40 ft other \_\_\_ No preference --- NO PREFERENCE

2. What height would you like the masonry fence between the condominiums and the Washington Ave. properties to be? (circle one)

8 ft 12 ft 15 ft 20 ft 25 ft 30 ft other \_\_\_ No preference. THIS DEPENDS. MY STRONGEST PREFERENCE IS TO MAKE THE INTERFACE BETWEEN THE AJJOINING PROPERTIES AS PRIVATE, BUT ATTRACTIVE AS POSSIBLE. TO THIS END, AN INDEPENDENT LANDSCAPE ARCHITECT WOULD BE PREFERRED TO SHOW A DESIGN FOR A PRIVACY SCREEN. THIS MIGHT INVOLVE A WALL, BUT WOULD IDEALLY INCLUDE OTHER ATTRACTIVE FEATURES. MY STRONGEST UNDESIREED FEATURE IS A LARGE, UNATTRACTIVE WALL THAT MAKES ME FEEL LIKE I LIVE IN OR NEAR A BUNKER; A TALL UNFINISHED CONCRETE BLOCK WALL IS NOT ACCEPTABLE.

3. Have you benefited financially or gained income due to the development or construction of the Nicoli/Sargent condominium project? (circle one) Yes No YES  
If yes, please explain

MY PROPERTY AT 451 WASHINGTON WAS RENTED FOR TWO MONTHS (MAYBE THREE) AT 500/MONTH.

4. Do you favor or oppose making the 400 block of East Washington Ave. a permit parking block? (circle one)

Favor Oppose Not sure Depends on what happens No preference

WHILE I WOULD NOT OPPOSE PERMIT PARKING, MY PREFERENCE WOULD BE TO ELIMINATE STREET PARKING ALTOGETHER. THE PARKING AT THE END OF THE BLOCK HAS VEHLICES THAT DRIP OIL AND MAKE THE STREET A MESS.
